PROCEEDINGS: Settlement Conference

On September 1, 2011, a settlement conference was held before the magistrate judge. After extensive settlement negotiations, a settlement agreement was reached. The terms of the settlement agreement were spread upon the record, and each party or party's representative stated he or she understood and agreed the terms of the settlement agreement were irrevocable, binding and enforceable just as if the terms had been reduced to writing. Because the terms of the settlement agreement are confidential the transcript will be sealed, however, if desired, counsel for the parties may obtain a copy by making a written request to the courtroom deputy clerk and paying the applicable transcript fees or costs.

IT IS SO ORDERED.
